State Senator Connie Leyva, District 20 (Inland Empire)

<http://sd20.senate.ca.gov/>

Elected to represent the 20th State Senate District on November 4, 2014, Senator Connie M. Leyva is serving her first term in the California State Senate. The district includes the cities and communities of Bloomington, Chino, Colton, Fontana, Grand Terrace, Montclair, Muscoy, Ontario, Pomona, Rialto and San Bernardino.

As our State Senator, Senator Leyva is committed to improving California's schools, environment and communities, as well as creating quality jobs throughout the 20th State Senate District and California. She firmly believes that California families benefit most when we invest in and help strengthen small businesses and other job drivers that create good paying jobs in our local communities.

A lifelong activist standing up for working people and families, Senator Leyva started working at her local Alpha Beta market as a senior in high school. She served as both Union Representative and President of the United Food and Commercial Workers (UFCW) Local 1428, helping grocery workers gain a stronger voice for fair wages and benefits. Following in that tradition of community service and action to improve the lives of others, she was elected in 2004 as the first woman President of the California Labor Federation, representing more than 2.1 million workers throughout the state.

Senator Leyva serves as Democratic Caucus Chair of the California State Senate, as well as on the following committees:

- [Education](#)
- [Energy, Utilities and Communications](#)
- [Joint Legislative Audit](#)
- [Rules](#)
- [Transportation and Housing](#)

She also currently serves on the Senate Select Committees on [California-Mexico Cooperation](#), [Manufactured Home Communities](#), [Ports & Goods Movement](#) and [Women and Inequality: Strategies to Promote Opportunity](#).

Raised in Chino, Senator Leyva has lived in the Inland Empire since she was a small child. She attended local schools and graduated from the University of Redlands with a bachelor's degree in communicative disorders.

Senator Leyva and her husband Al live in Chino and are the proud parents of recent college graduate twins, Allie and Jessie.

Savary

FOR CONGRESS CA-48

<http://www.drsvsavy.com/>

Dr. Suzanne Joyce Savary moved with her family to California to work with Dr. Carl Sagan, as his VP of Marketing, in creating the world-renowned PBS COSMOS series. Suzanne is a retired University of Southern California Associate Professor, where she taught management and communications in the Marshall School of Business. As CEO of her own Management Consulting Firm since 1979, she helped clients, ranging from Fortune 20 companies to small biotech firms, to grow their businesses by teaching managers and executives how to create the high performance environment - exactly the skills that are most needed in Congress today.

In 2007, Suzanne co-founded and became President of the Newport Beach Women's Democratic Club. Under her leadership NBWDC was awarded the Coalition Partner of the Year Award by Planned Parenthood, convinced the Newport Beach City Council to keep the Civic Center of Newport Beach non-partisan by prohibiting statues celebrating one political side over another, had the vote to defund Planned Parenthood rescinded by the Orange County Board of Supervisors, and successfully achieved the reinvestigation of the Hoag – St. Joseph's affiliation by the State of California Attorney General to support the reinstatement of comprehensive women's healthcare and limit the impact of religious directives on fertility and end of life treatment at Hoag.

Suzanne served the City of Newport Beach as one of seven citizens chosen by the City Council to the 2011 Newport Beach Charter Commission to review and update the document that rules the city. She was elected by the Orange County Coast Community College Board to represent the community in the Vice Chancellor selection process. She has also served her beloved Balboa Island by participating in many efforts including the Island Girls, Parade Marshall, and Island Holiday Tour.

Suzanne believes that the world is a better place when we all work together for the common good and she has devoted her life to contributing her part.
