Standing Committees

Overview

The results of the November 2016 election have produced an unprecedented number of new-to-the-process Democratic Activists in Orange County, once a Conservative bastion in Blue California. We all want to do something to turn the destructive tide taking over our nation and are looking to where we can best impact change.

The **Newport Beach Women's Democratic Club (NBWDC)** has been so fortunate to have a consistent and long-standing member base, while welcoming large numbers of new members energized to take action and make a positive change in how we are governed.

Below are NBWDC Standing Committees. Let us know if there is a committee that sparks your interest. We welcome your input and your help!

Voter & Member Outreach

2018 Co-Chairs: Cate Hardesty & Haley Horton

This committee will be instrumental in developing a sound strategy for NBWDC to turn out the necessary voters on Election Day. The Committee will work in conjunction with the Democratic Party of Orange County and county grassroots GOTV organizations to schedule voter registration events, voter outreach training programs and training for NBWDC members who wish to support this effort. Members of this committee will also receive training on VAN (Voter Access Network).

The Committee also leads efforts to reach out to all communities so that the membership reflects the goals and interests of the California Democratic Party, the Democratic Party of Orange County and NBWDC.

A strong and effective membership is the backbone of NBWDC. Without it, we would be unable to accomplish our mission and goals. This committee works in tandem with the Program Committee to develop programs, events and training opportunities for the purpose of recruiting and enrolling new members as well as retaining existing members.

The Committee is responsible for developing and distributing New Member Information Packets as part of the "New Member" welcome process.
