

**California Women Lead**  
ENGAGE • EMPOWER • ELECT

**July 19, 2016**

Dear NBWDC,

- Did you know California Women Lead launched a brand new website along with a new database?
- Did you know that we have enhanced the benefits of being a member of California Women Lead?
- Did you know that it is because of our diverse statewide membership, of women AND men, we are continuing to make progress to **ENGAGE \* EMPOWER \* ELECT** women in California?
- Did you know we are gearing up for not only an exciting rest of 2016, but will be launching new programs and events in 2017 and beyond?

We wanted to reach out to you personally and ask you to join our growing statewide network for women leaders from the private and public sectors. The Board of Directors is very appreciative of your support in our mission to **ENGAGE \* EMPOWER \* ELECT** and hopes you will consider **joining the organization** today.

Your investment allows California Women Lead to continue our successful appointments trainings, which resulted in 50% of Governor Brown's appointees being women - from ALL political parties. Your investment helps us connect with our members through our statewide outreach plan that will include on-line trainings, webinars and leadership discussions. Your investment gives California Women Lead the opportunity to offer events, trainings and educational opportunities as we work to empower more women to serve in elected and appointed office or become leaders in their professions and communities.

We hope you will consider investing in California Women Lead today by visiting our NEW secure website at [www.cawomenlead.org](http://www.cawomenlead.org).

If you chose not to join and support our mission, would you let us know why? We value your input and want to improve the programs offered by California Women Lead.

If you have any questions or comments, please feel free to contact us directly at 916-551-1920 or by email at [admin@cawomenlead.org](mailto:admin@cawomenlead.org).

Thank you again for your support and we hope to see you at a California Women Lead event soon!

Sincerely,
